How to do Business with University of Kentucky Construction Projects Under \$1 Million Dollars

Speakers: Tina Arthur, PMP UK Facilities Management Medical Center; Tim Armstrong, UK PE Manager, Facilities Engineering and Project Management and UK Purchasing Construction

This is an opportunity to learn more about campus and medical facilities projects under \$1 million. These include renovations, remodels, and some smaller campus and medical facilities projects that cover many areas. This webinar will also cover how to do business with UK and give updates on supplier diversity goals and events.

October 27, 2022

UK Capital Construction Projects

Speakers: Lynn Murphy AVP Facilities Planning UK HealthCare; Kevin Locke, AVP Capital Planning, Design & Construction; Wayne Thompson, Capital Construction Director, and UK Construction Purchasing

The University of Kentucky will have over \$2 billion dollars in construction projects in the next 3-5 years. This represents over thirty major projects including an upgrade to the Nutter Field House and a new indoor track and field practice facility: improvements to Funkhouser, Memorial Hall, the Whitehall Classroom Building, and the Patterson Office Tower. Upgrades to the Sander-Brown Center, the UK Hospital, the Reynolds Building, a health education building, an ambulatory care center, and a new hospital in Hamburg are included. Learn more about these projects, per diem

contracts, how we procure design and construction services, how to do business with UK and supplier diversity goals and events.

How to do Business with UK Healthcare

Speakers: Paul Reister and Lora Miracle

UK Healthcare is the power of advanced medicine. But it is so much more. It is 9,000 people – physicians, nurses, pharmacists, and other healthcare professionals – all dedicated to providing the most advanced, most effective care available, not just in Kentucky but anywhere. With so many needs for specialized supplies, UK works with large group purchasing organizations like Vizient, Medline and Cardinal Health to procure products and services for our hospitals and ambulatory care centers. Join this webinar to learn more about UK Healthcare Purchasing.
